

Cookie Recipe

Make your own dog treats using canned or dry dog food.

-Preheat oven to 375

If using canned food:

- 1- Slice canned food into 1/4" pieces.
- 2- Place on baking sheet.
- 3- Bake in oven for 10-15 minutes or until edges turn golden.
- 4- Cool on rack.
- 5- Store in an air tight container or freeze for up to 6-8 weeks.

If using dry food:

- Mix dry food with water (adding water slowly) until it is the consistency of cookie dough.
- Shape into 1/4" pieces.
- Follow steps 2-5 for wet food.
